12                               **PLAINTIFF'S AFFIDAVIT**  
13

14               I, Milford Washington, hereby state that the following factual events  
15   and exhibits are based upon my personal knowledge and belief, and are as  
16   follows, to-wit:

17       1. That, I am, and was the owner of a Teal Green 2017 Toyota Prius

18       JTDKBRFU8H3578424, that was parked, believed to be stolen but

19       repossessed from Atlanta, Georgia, at the location ARIUM

20       APARTMENTS of Peachtree Creek Circle, Atlanta, 30345;

21       2. That, I am Debtor to Toyota Motor Credit Corporation, who is the

22       primary lienholder to my vehicle (See Exhibit #1);

23       3. That, on Sunday, September 25, 2022, my daughter contacted me by

24       telephone, informing me that my 2017 Toyota Prius was gone;

- 25 4. That, as a result of the information my daughter made known to me, I  
26 directed her to contact the DeKalb County Police to see if the vehicle  
27 was either stolen or repossessed;
- 28 5. That, my own foreknowledge, I was well aware that my vehicle was up  
29 for repossession from Toyota, but considering that I had made  
30 arrangements to pay them the amount of \$389.73, a few days after I  
31 paid them \$1,194.00, the last thought to come to mind that it would be  
32 repossessed (See Exhibit #2);
- 33 6. That, after my daughter reported what was believed a motor vehicle  
34 theft to the DeKalb County Police, I reached out to my automobile  
35 insurer, State Farm and filed a total loss claim for theft;
- 36 7. That, on September 26, 2022, I wanted to be certain that my vehicle  
37 was not repossessed, so I contacted Toyota at the number 1-800-279-  
38 9032, asking them did they have my vehicle. An unnamed person  
39 informed me that they did not have my vehicle;
- 40 8. That, believing that my vehicle was going to be paid off in full by State  
41 Farm, I wanted to see if I could get Toyota to waive late fees that I had  
42 always considered to be excessive and erroneous; simply, because  
43 with the exception of once (and recently), not one time did Toyota  
44 report to the credit bureaus any late payments (See Exhibit #3);

45 9. That, seeing that Toyota ignored my request for a waiver I filed a  
46 complaint against them with the Consumer Financial Protection  
47 Bureau ("CFPB");

48 10. That, as a result of my complaint to the CFPB, Toyota replied to  
49 the CFPB, and it was then for the first time that it came to my attention  
50 that Toyota had lied, and did repossess my vehicle. In addition, after  
51 conducting a casual search into my credit report portal to see if Toyota  
52 had reported more late deficiencies, I noticed that it reported a  
53 'Repossession';

54 11. That, it was then that I reached out and called Toyota, and made  
55 inquiries only to be told that the vehicle was in fact, repossessed;

56 12. That, for the purposes of *Quality Assurance*, Toyota does record  
57 my calls;

58 13. That, because I record my calls for the purposes of *Assurance*  
59 *Against Fraud*, Toyota refuses to speak to me over the phone;

60 14. That, upon this discovery, when it became convenient and time  
61 permitting, I began setting events in motion to launch my own  
62 investigation into what was going on...or, what went on;

63 15. That, I began submitting letters to Toyota, I engaged in one  
64 conversation with UADR, who admitted to me that they had my vehicle.

65 Even worse, an employee invited me to retrieve my property  
66 items that were inside of my vehicle and told me that they were about  
67 to auction off my vehicle; but, refused to tell me what towing company  
68 repossessed my vehicle, and;

69 16. That, upon being told this, Toyota never contacted me to inform  
70 me that they had my vehicle. In fact, Toyota mailed me a letter  
71 expressing their sorrow for the theft of my vehicle (See Exhibit #4);

72 17. That, at no time did Toyota ever send me anything---no  
73 document or correspondence that would inform me of the steps I were  
74 to take if I wanted my vehicle back;

75 18. That, Toyota's assertion to the CFPB that they mailed me a  
76 Notice to Our Plan to Sell Property, a Notice of Right to Cure Your  
77 Default, and a Notice of Default and Intention to Repossess, is a lie. In  
78 fact, the first time I ever saw these documents were through the CFPB  
79 portal (See Exhibit #5);

80 19. That, as I do not check my emails daily, or have tendency look  
81 at all times, I eventually check them...weeks and days can pass, and  
82 when I do, that is when matters first come to my attention, and even  
83 then, I try to be diligent when addressing matters;

84 20. That, in hopes of stopping State Farm from paying off Toyota in  
85 full, I granted Toyota time to respond to my inquiries. I heard nothing,  
86 so I soon began to take measures to communicate with State Farm,  
87 taking back my temporary power of attorney;

88 21. That, I've written Toyota by USPS certified mail numerous times,  
89 and I got no reply (See Exhibit #6);

90 22. That, as a result of not having my vehicle, I am unable to earn  
91 income through Amazon Flex, Uber, through Instacart, Door Dash,  
92 Roadside 24-7, and Carvertise; all, of which I have accounts that are  
93 pending closure due having no transportation due to inactivity (See  
94 Exhibit #7);

95 23. That, as a result of Toyota's unlawful, misleading, fraudulent, and  
96 nefarious behavior, my credit rating is destroyed...ruined because of  
97 Toyota's ongoing reports of deficiency that they know to be false;

98 24. That, upon looking into the Toyota online payment ledger, I  
99 discovered Toyota actually cashed the check from State Farm only to  
100 reverse it after I exposed them, replacing it with a deficiency of  
101 \$11,147.97 (Refer to Exhibit #11 of the Complaint);

102 25. That, as a result of Toyota's unlawful, misleading, fraudulent, and  
103 nefarious behavior I am now without a very good automobile that was

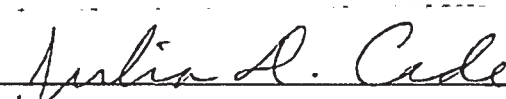

104 almost paid off by me, that was valued at \$19,872.00 and had  
105 thousands of dollars' worth of customized extras done to it, and  
106 personal property within it (See Exhibit #8); and,

107 26. FURTHER this Affiant says not.

THIS INSURANCE DOES NOT INCLUDE INSURANCE ON YOUR LIABILITY FOR BODILY INJURY OR PROPERTY DAMAGE.

Returned Payment Charge: If any check you give us is dishonored or electronic payment you make is returned unpaid, we may, at our option, charge you \$ 50.

**OTHER IMPORTANT AGREEMENTS****1. FINANCE CHARGE AND PAYMENTS**

- a. **How we will figure Finance Charge.** We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount Financed.
- b. **How we will apply payments.** We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.
- c. **How late payments or early payments change what you must pay.** We based the Finance Charge, Total of Payments, and Total Sale Price shown on page 1 of this contract on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is due.
- d. **You may prepay.** You may prepay all or part of the unpaid part of the Amount Financed at any time without penalty. If you do so, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment.
- e. **Your right to refinance a balloon payment.** A balloon payment is any payment other than a down payment that is more than 10% greater than the regular or recurring installment payments. If you use the vehicle primarily for consumer purposes, you have the right to refinance a balloon payment over an extended period with additional payments. The additional periodic payments will not be more than 10% greater than the regularly scheduled installment payments.

**2. YOUR OTHER PROMISES TO US**

- a. **If the vehicle is damaged, destroyed, or missing.** You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.
- b. **Using the vehicle.** You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, you agree to repay the amount when we ask for it.
- c. **Security Interest.**  
You give us a security interest in:
  - The vehicle and all parts or goods put on it;
  - All money or goods received (proceeds) for the vehicle;
  - All insurance, maintenance, service, or other contracts we finance for you; and
  - All proceeds from insurance, maintenance, service, or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.

This secures payment of all you owe on this contract. It also secures your other agreements in this contract. You will make sure the title shows our security interest (lien) in the vehicle. You will not allow any other security interest to be placed on the title without our written permission.

**d. Insurance you must have on the vehicle.**

You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our interest in the vehicle. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we may either buy insurance that covers your interest and our interest in the vehicle, or buy insurance that covers only our interest. If we buy either type of insurance, we will tell you which type and the charge you must pay. The charge will be the premium of the insurance and a finance charge computed at the Annual Percentage Rate shown on page 1 of this contract or, at our option, the highest rate the law permits.

If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.

- e. **What happens to returned insurance, maintenance, service, or other contract charges.** If we obtain a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.

**3. IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES**

- a. **You may owe late charges.** You will pay a late charge on each late payment as shown on page 1 of this contract. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments. If you pay late, we may also take the steps described below.
- b. **You may have to pay all you owe at once.** If you break your promises (default), we may demand that you pay all you owe on this contract at once. Default means:
  - You pay any payment (plus any late charges) more than 10 days late or not at all;
  - You give us false, incomplete, or misleading information on a credit application;
  - You start a proceeding in bankruptcy or one is started against you or your property; or
  - You break any agreements in this contract.

The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.

- c. **You may have to pay collection costs.** If we hire an attorney to collect what you owe, you will pay the attorney's fee and court costs as the law allows. You will also pay any collection costs we incur as the law allows.
- d. **We may take the vehicle from you.** If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.
- e. **How you can get the vehicle back if we take it.** If we repossess the vehicle, you may pay to get it back (redeem). We will tell you how much to pay to redeem. Your right to redeem ends when we sell the vehicle.

- f. **We will sell the vehicle if you do not get it back.** If you do not redeem, we will sell the vehicle. We will send you a written notice of sale before selling the vehicle.

We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it. Attorney fees and court costs the law permits are also allowed expenses. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you must pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at a rate not exceeding the highest lawful rate until you pay.

- g. **What we may do about optional insurance, maintenance, service or other contracts.** This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we demand that you pay all you owe at once or we repossess the vehicle, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.

4. **Used Car Buyers Guide.** The information you see on the window form for this vehicle is part of this contract. Information on the window form overrides any contrary provisions in the contract of sale.

You also agree that we may try to contact you in these and other ways at any address or telephone number you provide us, even if the telephone number is a cell phone number or the contact results in a charge to you.

Dear MILFORD WASHINGTON,

Thank you for notifying us of the total loss of the vehicle referenced above. We recognize this is a difficult situation and we look forward to partnering with you to resolve this matter quickly and efficiently.

Please review the following:

- Monthly payments to your account are no longer required. You do not need to continue to pay your regular monthly payment while we await payment from your insurance provider, but you will be responsible for any balance that remains after your insurer's payment is applied to your account. You will also be responsible for any balance that remains if no payment is received from your insurer. If your vehicle is not deemed a total loss, then you will be responsible for any payments not made while your claim was being reviewed by your insurance company.
- Your insurance company will determine the value of your vehicle. Please contact your insurer with questions regarding that determination and its payment. In the event the payment received from your insurance company does not pay your balance in full, TMCC will review your insurance payment for accuracy and request the additional funds owed to you from your insurance company. If successful, a portion of the additional funds received from your insurance company will be deducted from the amount applied to your account as a servicing fee for identifying the error and having it corrected with your insurer.
- If your insurer's payment does not pay the balance in full, any optional insurance products still in force may be cancelled, and the prorated refund(s) applied to your balance. Once we receive your insurer's payment and any optional insurance product refunds, we will send you a statement of balance. You will have 30 days to pay the balance in full or contact us to make payment arrangements.
- If there is a surplus on your account after all payments and refunds are applied, we will send you a check approximately 10 days after the account is closed.
- Your contract includes GAP coverage. We will assist you in filing your GAP claim, but might need your assistance in obtaining certain documents. If you have not already done so, please fax a copy of your Insurance Valuation, Settlement Breakdown, Police Report, Declarations Page and Damage Estimate to 678-496-2765. If you do not have insurance, then please send a copy of the official Police Report and Damage Estimate instead.

If you have any questions regarding this notice, please contact us at 800-574-6822, Mon-Fri, 8am to 6pm EST.

Sincerely,

Toyota Motor Credit Corporation (TMCC)

Dear MILFORD WASHINGTON:

You are now in default on the above-referenced retail installment contract with Toyota Motor Credit Corporation ("TMCC"). If you pay the **AMOUNT NOW DUE** (see above) by the **LAST DAY FOR PAYMENT** (see above), you may continue under the above-referenced agreement as though you were not late. If you do not pay by that date, we may exercise our rights under the law.

If you submit a payment to us that is less than the **AMOUNT NOW DUE** set forth above, we may choose to keep that payment without waiving any rights we may have under the law, including, but not limited to, repossession of the vehicle.

In the past, we may have accepted late payments from you without strictly enforcing the agreement terms. We are sending this notice to advise you that we intend to enforce your agreement unless you cure the default as described above.

Make your payment payable to TMCC and mail to the address set forth above. Be sure to write your account number on your check. If you have any questions, write or telephone us promptly at the address or telephone number listed above.

**ARBITRATION PROVISION**  
**PLEASE REVIEW - IMPORTANT - AFFECTS YOUR LEGAL RIGHTS**

1. EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN US DECIDED BY ARBITRATION AND NOT IN COURT OR BY JURY TRIAL.
2. IF A DISPUTE IS ARBITRATED, YOU WILL GIVE UP YOUR RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US INCLUDING ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATION OF INDIVIDUAL ARBITRATIONS.
3. DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.

Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this Arbitration Provision, and the arbitrability of the claim or dispute), between you and us or our employees, agents, successors or assigns, which arises out of or relates to your credit application, purchase or condition of this vehicle, this contract or any resulting transaction or relationship (including any such relationship with third parties who do not sign this contract) shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Provision shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You expressly waive any right you may have to arbitrate a class action. You may choose the American Arbitration Association, 1633 Broadway, 10th Floor, New York, New York 10019 ([www.adr.org](http://www.adr.org)), or any other organization to conduct the arbitration subject to our approval. You may get a copy of the rules of an arbitration organization by contacting the organization or visiting its website.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law and the applicable statute of limitations. The arbitration hearing shall be conducted in the federal district in which you reside unless the Seller-Creditor is a party to the claim or dispute, in which case the hearing will be held in the federal district where this contract was executed. We will pay your filing, administration, service or case management fee and your arbitrator or hearing fee all up to a maximum of \$5000, unless the law or the rules of the chosen arbitration organization require us to pay more. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims is frivolous under applicable law. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this Arbitration Provision, then the provisions of this Arbitration Provision shall control. Any arbitration under this Arbitration Provision shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et. seq.) and not by any state law concerning arbitration. Any award by the arbitrator shall be in writing and will be final and binding on all parties, subject to any limited right to appeal under the Federal Arbitration Act.

You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. Neither you nor we waive the right to arbitrate by using self-help remedies, such as repossession, or by filing an action to recover the vehicle, to recover a delinquency balance, or for individual injunctive relief. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Provision shall survive any termination, payoff or transfer of this contract. If any part of this Arbitration Provision, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this Arbitration Provision shall be unenforceable.

**NOTICE OF DEFAULT AND  
INTENTION TO REPOSSESS**

You are now in default on your retail installment contract. Toyota Motor Credit Corporation ("TMCC") is giving you a right to correct this default until **08/23/2022**. If you do so, then you may continue with the retail installment contract as though you did not default. Your default consists of 4 payment(s) for the payment due date(s) of April 2022 in the monthly payment amount of \$ **596.29**, plus accumulated late charges of \$**359.92** and/or other default consisting of: \$**0.00**.

**TOTAL AMOUNT NOW DUE: \$ 2,782.76**

Correction of the Default: On or before **08/23/2022**, you must do the following in order to cure your default:

☒ Pay the **TOTAL AMOUNT NOW DUE** shown above. ☐ Provide proof of acceptable physical damage insurance coverage.

☐ Other: \_\_\_\_\_

If you do not pay the **TOTAL AMOUNT NOW DUE** shown above and if you do not cure any other default listed above by the date stated above, TMCC may repossess the above-described vehicle wherever it may be found. If you submit a payment to TMCC that is less than the **TOTAL AMOUNT NOW DUE** set forth above, you will not have cured your default and TMCC may choose to keep that payment without waiving any rights it may have under the law, including but not limited to, any right it may have to retake the vehicle which is the subject of your contractual obligation with TMCC. If the vehicle cannot be found, TMCC may take legal action against you to recover it. If the vehicle is repossessed, you will have the rights described below.

- (1) Within five (5) days after TMCC repossesses the vehicle, TMCC will personally deliver or mail to you at your last known address by registered or certified mail, a written notice which states: (a) your right to redeem (get back) the vehicle and the amount payable to do so; (b) your rights as to a resale of the vehicle if you do not redeem it; (c) your liability for any deficiency following the resale of the vehicle; and (d) the address where payment is to be made or any notice is to be delivered.
- (2) For at least fifteen (15) days after TMCC gives the notice described in Paragraph 1 above, it will retain the vehicle. During this period, you have the right to reinstate the retail installment contract, retake possession of the vehicle and resume performance of the retail installment contract.
- (3) To reinstate the retail installment contract and retake possession of the vehicle, you will have to pay the amount due under the retail installment contract at the time you reinstate and do every other act required to be taken by you to cure the default for which the vehicle was repossessed, and if this Notice was given, pay the actual and reasonable expense of repossessing and storing the vehicle.
- (4) At any time prior to the sale of the vehicle, you have the right to redeem the vehicle by paying the entire balance due under the retail installment contract which, provided this Notice was given, will include the actual and reasonable expenses of repossessing and storing the vehicle.
- (5) Provided you have not exercised your rights to reinstate or redeem, TMCC will sell the vehicle at public or private sale. At least fifteen (15) days before the sale, TMCC will notify you in writing of the time and place of the public sale or the time after which a private sale may be held, by certified or registered mail, return receipt requested, sent to your last known address. If you have paid at least 50% of the cash price of the vehicle, the vehicle will be sold at a public sale. If TMCC is unsatisfied by the highest bid received at this public sale, it may reject all bids and sell the vehicle at private sale for not less than the highest bid received at the public sale or auction. If you have paid less than 50% of the cash price of the vehicle, TMCC may sell the vehicle at a public or private sale unless, within the fifteen (15) day reinstatement period, you request a public sale in writing and you deposit the sum of \$15 with TMCC.
- (6) You will be furnished a written statement which shows the distribution of the proceeds from the sale. If the sale proceeds are not sufficient to pay all that you owe, then you will be responsible for paying the difference. If you do not pay the amount which you owe when TMCC demands it, TMCC may pursue its legal rights, including the possibility of filing a lawsuit against you. If legal action is taken against you, you may be required to pay TMCC reasonable attorneys' fees and court costs.
- (7) If the sale proceeds are sufficient to pay TMCC all that you owe and there is money remaining, and if TMCC does not pay the surplus to the holder of a security interest in the vehicle, if any, junior to TMCC, then the money left over will be paid to you.
- (8) In some cases, TMCC may return the vehicle to the dealer where you purchased it. TMCC's agreement with the dealer provides that the dealer pay what it owes to TMCC, and TMCC will deliver the vehicle to the dealer, who then has the right to sell it. You will still retain all the rights and obligations set forth in this Notice. If there is any money remaining after the expenses of sale as described above and after the dealer is reimbursed, then the dealer will pay it to you.
- (9) All insurance which is financed under the retail installment contract will be cancelled if you do not redeem the vehicle, and the unearned insurance premiums and unearned finance charges, if any, will be refunded and credited to the amount you owe TMCC.

You are reminded that another payment of \$ **596.29** becomes due on **08/08/2022**. This amount is not included in the **TOTAL AMOUNT NOW DUE** above.

If you have any questions promptly write or telephone TMCC at the address or telephone number above.

CIVIL ACTION CASE NO:

**REQUEST FOR REMOTE APPEARANCE**

COMES NOW, Milford Washington, Pro Se, pursuant to Rule 28

(a)(5), to request a remote appearance:

The reasons are as follows:

Your Plaintiff is an out of State resident residing in the District of Columbia.

There are budgetary constraints, medical constraints, and time constraints; meaning, Plaintiff is employed sub-par, and with the exception of Trial by Jury, he does not have the convenience of appearing in the State of Georgia for every proceeding. In addition, given that Plaintiff's motor vehicle and only mode of transportation to drive to Georgia was taken

26 unlawfully by the Defendants, he would be at the mercy of airline flight  
27 cancellations as well as hefty train ticket prices and increases. More  
28 importantly, your Plaintiff has not taken all of the COVID-10 Boosters, as he's  
29 experienced what he believes are complications. (See Exhibit #1)

30 Lastly, despite the lack of communication in the past pertaining to both  
31 Defendants, your Plaintiff is prejudiced by their deliberate decision not to  
32 provide feedback. In any case, however, Plaintiff has initiated contact with  
33 both Defendants, and awaits their reply. (See Exhibit #2)

34 WHEREFORE, in the absence of any replies or objections from the  
35 Defendants, your Plaintiff prays that this Honorable Court GRANT this  
36 request for REMOTE APPEARANCE.

37 Respectfully submitted this \_\_\_\_\_ day of February 2023.
